

Our Concerns and Policies

- We will oppose unpopular and high density developments that threaten our quality of life.
- Where new homes are built, we believe this should be in the form of family houses, not just flats.
- We oppose the Council's plans to encourage more flats to be built along East Barnet Road.
- We oppose superstore developments that will attract unnecessary traffic and undermine existing independent shops in East Barnet and the wider area.
- We will press the Council to improve the existing infrastructure and appearance of the area.
- We will actively encourage much better consultation between the Council and the community.
- We will fight for better leisure facilities, accessible to everyone.
- We will fight to maintain sheltered housing wardens.
- We will seek fair compensation for all victims of the Christmas gas crisis.
- We will act in the best interests of the community - full stop.

We can make a difference and a vote for us sends a very clear signal to the Council that you want change.

Promoted by and on behalf of The Residents' Association of Barnet of 16 Cheviot Gardens, Hendon Way, London NW2 1QH

On 6th May Make Your Vote Count

Vote for local people who care about and will fight for your community.

We will fight for:

- What local people in New and East Barnet genuinely want – not a remote party agenda.
- Stricter financial control over the way the Council spends our money.
- Greater accountability and transparency in the way the Council is run.
- The maintenance and enhancement of the pleasant residential nature of our area.
- Oppose inappropriate and unpopular developments that are out of character with the area.

Your Residents' Association of Barnet Candidates

JOHN DIX

I am 50, have a strong commercial background and have lived in New Barnet for almost 13 years with my partner and my two children.

I care passionately about the community and have been a supporter of the Save New Barnet Campaign for the last two years,

helping to stop the inappropriate superstore developments by ASDA and Tesco. Living and working in the East Barnet Ward keeps me in touch on a day to day basis with what matters to local people.

If you elect me:

- I will bring a common sense approach to Council spending.
- I will battle for better facilities for children and teenagers.
- I will demand changes to the Local Planning Development Framework to ensure that New and East Barnet are not turned into a high rise development.
- I will work to ensure that elderly residents are given a better deal and more respect from the Council.
- I will simply act in the best interest of the community – full stop.

Call me on 07717 055084 or email me at john@newandeastbarnet.org and tell me what is bothering you the most about how Barnet Council is run.

SANDRA LEA

I had the good fortune to move to Barnet in the 1960s, where I brought up my two children. I have been involved with various local organisations - schools, youth club, scouts, estate committee - activities that have given me wide experience of life in East and

New Barnet and as curator at Barnet Museum I certainly have an appreciation of the history of the area. Recently, I have become involved in the Save New Barnet campaign.

If you elect me:

- I will strive to ensure that the opinions of local people are listened to and respected by the Council.
- I will battle to both preserve and improve the streetscape and the built environment.
- I will seek more local leisure opportunities, especially for young people and the retired.
- I will closely scrutinise Council spending to ensure that your council tax is spent wisely.
- I will simply act in the best interest of the community - full stop.

Call me on 07563 754900 or email me at sandra@newandeastbarnet.org to tell me about what you want to see happen to your community in East and New Barnet.

DENIS ROBB

Denis has lived in East Barnet Ward most of his life. He runs a long-established attitudinal research company which works for many of the world's leading companies as well as charitable organisations.

Denis is a national campaigner for more genuine democracy, a subject on which he has conducted extensive research and published articles. He has conducted several surveys amongst the residents of East Barnet Ward, and has been active in a variety of local causes including Save New Barnet Campaign.

If you elect me:

- I will step up my exploration of local opinion so that the views of local people are explored, made known, and represented.
- I will fight for the issues that local people most care about.
- I will work for improved facilities for our community and a better deal for our area.
- I will strive to ensure that the Council engages with local people in a more meaningful way and treats local people with more respect.

Call me on 020 8447 3913 or e-mail denis@newandeastbarnet.org and let me know your concerns and how you would like to see our area improved.
